

# XII Latin American Conference on Human-Computer Interaction 2026

May 27–29, 2026 • Oaxaca, Mexico

## Certificate of Recognition

This Certificate of Recognition is awarded to:

Nicolas Soriano Martínez, José Ramon Aragon Toledo,  
Valeria Aurora Rodríguez Ponce, and Luis Mario Espinosa  
Ortiz

### Team Ruta Clara

for the presentation of the design project entitled:

**“Rediseñando la experiencia del transporte publico en Oaxaca”**

at the CLIHC 2026 Hackathon of the XII Latin American Conference on Human-Computer Interaction (CLIHC 2026), held in Oaxaca de Juárez, Mexico.

This certificate is awarded in recognition of achieving **First Place in the CLIHC 2026 Hackathon** and for demonstrating outstanding teamwork, creativity, innovation, and technical excellence in the development of technology-based solutions for social impact, promoting the use of human-centred technologies to address real-world challenges.

**Oaxaca de Juárez, Mexico, May 2026**

  
Dr. Mario Alberto Moreno Rocha  
Local Chair, CLIHC 2026

  
MC. Carlos Alberto Martínez Sandoval  
Local Chair, CLIHC 2026
